

Ad Hoc Committee for Exploring Outsourcing Faculty and Staff Email
September 10, 2012 11:00 AM – 12:00 PM ACNS Conference Room
Meeting Agenda

1. Google of Microsoft presentations were thought to be helpful, and something very similar will be scheduled for the public meeting in October.
2. Baily is following the Internet2 Net+ activity, which is essentially attempting to negotiate favorable contract terms with Microsoft for Office 365 services. About a dozen Internet2 members are participating in this activity.
3. The Draft Communications Plan was discussed and edits will be communicated back to Dell Rae.
4. Several action items for communicating with the campus about this activity:
 - a. Burns to brief the Council of Deans in September
 - b. Baily to talk to University of Northern Colorado regarding possible use of Office 365
 - c. Peyronnin to draft an FAQ to post on the website
 - d. Baily to contact OGC and give them a heads up about what we're doing
 - e. Dell Rae will work on getting an announcement in Today @ Colorado State
 - f. Lujan will draft survey questions
 - g. Baily will schedule Google and MS presentations for the campus
 - h. Seng will get on the Faculty Council Committee for Teaching and Learning agenda
 - i. Baily will get this on the Subnet Managers agenda
 - j. Other groups we should consider speaking with include CAAG, APC, CPC
5. The meeting adjourned at Noon
