

ITEC Meeting Minutes

Information Technology Executive Committee

Friday, December 18, 1998

9-10:30 AM, VPRIT Conference Room

1. Charges for Technology for disabled students - ITEC reconfirmed their action of last spring to allocate to Colleges costs of technology for disabled students. The costs will be computed by the Vice President for Student Affairs and allocated to the Colleges and the Open Option in proportion to the revenue they derive from Charges for Technology. If the Colleges wish, they can approach their Charges for Technology committees with requests to fund technology for disabled students.
2. Policy on offering Domain Name Service, DNS - ITEC approved the policy that ACNS will offer Domain Name Service only under the colostate.edu domain (see www.colostate.edu/Services/ACNS/itec/dns-policy.html).
3. IT computer support on a cost recovery basis - ACNS will begin, on an experimental basis, offering Windows client support services on a cost recovery basis, at \$40/computer-month. See www.colostate.edu/Services/ACNS/client-support.html.
4. Instructional technology planning group - information item, no action occurred.
5. Updates - no action was taken during the meeting
